

D8420 Exploring New Features in IBM Lotus Domino Designer 8

Vendor Course Code: D8420

Course Length: 1 day

Overview: This course covers the enhancements made to the Lotus Notes 8 and Lotus Domino Designer clients, @functions, @commands, design element properties, the LotusScript language, and changes that affect Web application development.

Skills Gained: See key topics.

Key Topics: This course covers the following topics:

- Exploring Client Enhancements in Lotus Notes 8 and Lotus Domino 8
- Identifying New Features in Lotus Notes 8 Clients
- Exploring the Lotus Domino Designer 8 Interface
- Using New @Functions, @Commands, and Design Element Properties

- Implementing New and Enhanced @Functions and @Commands
- Implementing New Design Element Properties
- Incorporating LotusScript Programming Enhancements into Lotus Domino Applications

- Implementing New LotusScript Classes and an Event
- Implementing New LotusScript Methods and Properties
- Enhancing Web Applications

- Implementing HTML-related Enhancements
- Incorporating Web Services in Lotus Domino Applications
- Creating Lotus Domino Web Logs
- Implementing Other Web Enhancements

Target Audience: The target audience for this course is experienced IBM Lotus Domino 7 application developers who require early exposure to new Lotus Domino 8 and Lotus Notes 8 features that affect application development, and who will be responsible for creating Lotus Domino 8 applications.

Prerequisites: The prerequisites for this course include completion of either of the following Lotus Domino 7 paths or equivalent knowledge, skills, and experience.

- Developers who were new to Lotus Domino 7 and completed the following courses:
- Fundamentals of IBM Lotus Domino 7 Application Development (N7D510)
- Building Web Applications with IBM Lotus Domino Designer 7 (N7D520)
- Developing IBM Lotus Domino 7 Applications: Intermediate Skills (N7D530)
- (Recommended) Using LotusScript in IBM Lotus Domino 7 Applications (N7D540)

Developers who upgraded to Lotus Domino 7 from a previous release and completed the following course:

- Exploring the New Features of IBM Lotus Domino Designer 7 (N7D420)
