

Harness the power of this Free software offer to turn training into a new form of energy

Get the expert training you need to get the most from Microsoft® SQL Server® 2008—and the software—FREE when you enroll and attend select courses. With this expert training, you'll learn to take advantage of the powerful and trustworthy array of new data-driven management solution of SQL Server 2008, plus come away with a free copy of the software.

That's right. Enroll and attend any one of these 8 featured SQL Server 2008 training classes between December 10, 2008* and June 30, 2009 (while supplies last) and you'll receive a fully-licensed copy of SQL Server 2008 Standard Edition with 1 CAL—FREE.

- ▶ This offer is available for a limited time and only on these 8 courses while supplies last, so act now. Find a course near you by visiting the Microsoft Find Training tool—and don't forget to mention the free software offer when you register.
